Work-Bee Guidelines

The last Saturday of each month is generally scheduled for workbees at the school. The best way to sign up to participate is to email (maintenance@fatimaschool.ca) a few days before the scheduled work-bee. Although it is not absolutely necessary to sign up, signing up ahead of the workbee allows the PEC maintenance co-chairs to gauge how many parents are attending so that they can properly prioritize the tasks during the workbee.

The workbee starts at 9:00 am and generally lasts about 3 hours (please arrive about 10 minutes in advance to sign-in and to get assigned your task). It involves various indoor and outdoor tasks and so it is recommended that you dress for the weather that day as you may be assigned to an outdoor task (perhaps layering your clothing for the weather and/or the work you are tasked with). There are some tasks that vary every month and there are those that are routine. If you complete your task within the three hours you must see one of the PEC maintenance co-chairs to be assigned another task or, if none are available, to sign out for the time volunteered.

Children are not allowed to attend the workbee for safety reasons, no exceptions. Extended members of the family (grandparents, uncles, aunts, etc.) are not allowed to attend as well as this Parent Participation Hour activity is for the parents only. Casual use of cell/smart phones is prohibited for safety reasons (emergency use only).

If you have any special skill sets (electrical, plumbing, construction, etc.) that you believe would be beneficial to the maintenance of the school please inform the PEC maintenance co-chairs. If you have any further questions regarding the workbees, or any other PPH activity, please feel free to contact us.

Thank-you for your interest in this parent participation activity and we look forward to seeing you at the work-bees.

Warmest regards,

OLOF PEC Maintenance Co-chairs
