St. John Brebeuf Invitational Track & Field Meet Schedule 2017

Field Event Schedule

These are approximate start times. Field events will be announced in this order. Once the grade has completed their event, the next grade will be called. We will use a rolling schedule; meaning if an event finishes early, the next event may start ahead of schedule. If you have a track event and a field event at the same time, please report to field event to check in and possibly get a jump or throw in before you have to go to the track event. Once the track event is finished please immediately return to the field event. You may send 4 athletes per field event per age group.

*** It is the coaches' responsibility to make sure their athletes attend their events and respond to the announcement calls. Coaches may ask at the event tent if they need to know what event is currently in progress.**
